

# SHERRI ROLLINS

For City Councillor  
Fort Rouge – East Fort Garry

FOR IMMEDIATE RELEASE

September 21st, 2018

## STATEMENT FROM JENNY GERBASI:

### Rollins will bring an effective, progressive voice to City Hall

As you are aware, after twenty years on City Council I have decided not to seek re-election in Fort Rouge-East Fort Garry.

As we move closer to election day, an overwhelming number of people have asked me who I am supporting in Fort Rouge-East Fort Garry

I have decided to let people know that I personally will be voting for Sherri Rollins.

I am an urbanist. I care a lot about issues like transit, heritage, and climate change. I want a strong voice for downtown and mature neighbourhoods. However, it is not enough for a candidate to care about these issues; you also need someone with the experience to get the job done and make positive change.

We need strong progressive women on council who will fight for social justice in our city. I am confident that Sherri will stand up and advocate for vulnerable people and on important issues like access to affordable housing, transit and quality of life.

Sherri Rollins has an excellent and easily identifiable track record. She has the ability to step into the debates that are expected of councillors. I am confident that Sherri will bring an effective, progressive voice to City Hall.
